# After a life-changing missions trip to Africa,

we sold our home, left a comfortable life and moved into an RV to travel the country serving others, helping in soup kitchens, community projects, churches, and more. Our passion to help those in need has proven that: **God uses ordinary people in extraordinary ways.** Passion to Action is a grass-roots movement whose mission is to *inspire, empower and mobilize people to put their faith into action.*

Learn more about our story, follow our progress, and see how God can reveal *your* passion and give you the courage to turn it into action.
